

Role Title: Senior Software Developer

Base	Chorley
Reports to	CEO
Contact	Hannah Bryan, Senior Projects Manager (Hannah@logma.co.uk)
Salary	Dependent upon experience
Hours	9:00am – 5:30pm, Monday – Friday

The Opportunity

We are seeking a dynamic and confident resource to join our internal Development team. As part of the team you will work with other Developers and Product Managers throughout the software development life cycle.

In this role, you should be a team player with a keen eye for detail and problem-solving skills. If you also have experience in agile frameworks and popular coding languages we'd like to meet you.

We are delivering forward looking solutions and continue to build solutions based on our exceptional product portfolio, suitable for a high number of clients across a wide range of industries.

This is a Senior Developer role leading to advancement within the future company structure for the right applicant.
